

thence or thirty miles distant for her Jib. broken up the
game lying with the main board slack kept a good lookout
for a while a little thing or two in sight the Dan
has on a shot the Dan was a Boat for the
the Cook steering Third Mate what fastened to him some
of the Day set in thick sea nothing more of the Boat
for the present. Cried the Big Gun they heard them talk
presently they came along side hoisted up forward the
Boat had lost the latter part of his line the Third Mate
hand and the Cooks Leg were skinned rather bad after the
Cook fastened he ran aft to take the steering bar but he
made a snappish and caught himself in a trap with a
turn around his in endeavoring to get it off his hand was game
the Boat nearly filled and if the line had not parted they
would have been in a bad scrape the other Boat having
not seen them out to go to them thinking the Boat
has taken under water could a man live

Tuesday June 5th

Thick fog and then there is more and so it changes
often see more whales but did not take the Capt shot a
Grey Seal toward a Booby for him he will weigh nearly 100 lbs
skinned him think they are going to make a Ser Puffin his
Booby heard a great number of birds to the breeze and of us
thought there must be a Carcass or a Dead whale toward a Boat
and pulled them found it to be a Carcass hoisted up the Boat
took in sail did not break the wheel thick fog all day
hands at 3 PM to get Breakfast cleared up a little steam
2 hours toward the Boats from ships in sight all of
them a whaling Darns took one very rough

reaped top sails hoisted up the Boats nearly all of the
men forward are sick them that eat of the Seal are getting
Phases of the Capt

Wednesday June 6th

Gaming with the Shidas 3 whales this season toward
the Boats whips got hot and killed him sent on board.
stood of board spoke the Champion of Opaton which this season
took in sail strong wind made it at day light bore ship
nearly a calm plenty of whales but they are as wild
as March Hares the two greater Boats soon after the other
but they are to make a check within 15 miles of land

Thursday June 7th

Boats down & ships in sight all of them
whaling but get nothing spoke the Henry reached
Dan whales this season Gaming with her also Gaming
with the Champion of Opaton did not take in
sail stood half masted think he is going to leave
there steering C & C the other ship during the same
the Capt's Dan held till 11 o'clock the Darns in sight
trying out fine sea the light breeze square sails
saw a calm what there was left us racing all night & ships
in sight to go them sporting sent in fore top & mast they did
to mend the hatch to work on it one of the ships fastened
to a whale but lost him

Friday June 8th Lat 49.32

Lower 20 of our Boats after whales the boat and
Second Boat to Boat got too on their chance to fasten but he did
