

September Saturday - 26th 1857
with me he finished one side of the My Kemmington
to day in the evening went to hear Mr. Morton lecture on
Dr. Lane's Arctic discoveries. But & Haves were there
went to Flow's Room after it was over

Sunday 27th
Clear beautiful this morning nothing new went to church
this morning heard Mr. Weiss a very excellent sermon

Monday 28th
Drove in the evening to H. R. to tea had a very agreeable time
the two house keepers did very well home at 11 o'clock

Tuesday 29th
in the evening I went to Mr. Butler and home at 10 o'clock

Wednesday 30th
in the evening went to Flow's - home at 11 o'clock

October Thursday Oct 1st
in the evening went to H. R.'s again played whist & other

nothing in particular in the evening. ~~at 10 o'clock~~ to ride
arrived Mrs. Cummingsford had a very pleasant time

Friday 3rd Oct
The tightest times for money ever known
My Bank &c. of our dear Mr. ~~Butler~~ went to ride
carried Mr. ~~Butler~~ Whittington out to ride called on Mr. ~~Butler~~
at 10 o'clock. ~~Butler~~ could not go, all right home at
10 o'clock

1858
Sunday July 17th 1858

This morning went to church - heard the Rev. Mr. Potter preach
a very fine sermon. In the afternoon at home read to day's review
Theodore Parker's "Opinion" "Monitors" a very fair production. I think
Theronated in the room where I sit & at 5 o'clock the storm
shines brightly; it is a pleasant day - the rustling leaves make
soft music and oh! how pleasant to the heart attended
in harmony with God's will. Cloudy & raining in the north and
I hear the rumbling of distant thunder which foretells a shower
we had a tempest at 8 o'clock; at 9 o'clock clear and pleasant in
the evening called on Mr. ~~Butler~~; Mr. ~~Butler~~ - Rained & Drizzle
there retired at 10 o'clock

Monday the 18th 1858
The morning clear and cool wind N.W. it has been pleasant all
day quite warm in the evening went to Mrs. R. - she was home and
I did not go in - Went up Morgan Street fell in with Mr. ~~Butler~~
at Mr. ~~Butler~~ & went home with Mr. ~~Butler~~ retired at 10 o'clock

Tuesday July 19th 1858

A pleasant day the "Eagle" went to Newport & Rocky Point
nothing new - this evening went to purchase it and on Cheapside met and
walked home with Miss R. - and then came home and went home
with Mrs. Fanny - at my own room at 10 - retired at 10 o'clock

Wednesday 20th
Clear wind S.W. in the evening went to 8 Kempton's came home
at 10 o'clock clear & beautiful wind N.W. retired at 10 o'clock

Thursday 21st
Clear wind N.W. cool for the season wind continued northerly all day
The Masonic Fraternity had an excursion to "Great Hill"
Miss Smith - Henry - Frank - and myself went up the river sailed
with Mr. Tye in his large boat had a beautiful time in the
evening went to P. Office home at 9 - retired at 10

Friday 22nd "Watched with Capt. Topham"
Clear & pleasant wind. Mostly clear and bright the morning nothing
special to note during the day in the evening went to 8 R. and
then called for R. Butler at his Father's house and then went to
Capt. Topham's to watch with him - he was much distressed for
breath he did all he could to make him comfortable and left about
5 o'clock Saturday 23rd

Saturday 23rd
Clear & pleasant wind Northerly came home from Capt. Topham's
about 6 o'clock sat my breakfast went to my room and slept till 8 o'clock
then went to counting room home at 12. In the afternoon a clear beautiful
day our excursion party came from Providence to day it is a splendid
day and I should think they would enjoy the day very much
I should think there must have been about 500 of them at dinner
most splendid not a cloud to be seen wind N.W. Thermometer
75 deg in the evening slept till 9 o'clock and then went up street and got
a paper in my room at 10 o'clock retired at 11 o'clock

Sunday 24th
A clear morning wind S.W. clear and cool woke up at 7 o'clock
at home to day quite tired from watching slept during the day consider-
ably there has been a good breeze to day at 6 P.M. thermometer at 74 deg
in the evening called on Mrs. Perkins and Mrs. Cook came home a
little past 9 o'clock retired at 10 o'clock weather beautiful clear wind Northerly
at 10 o'clock

Monday 25th
Morning clear wind S.W. went up the river in the "Thames"
Row Boat with Henry & Frank started at Island Marsh the wind
blew very hard in the evening called on Mrs. R. she was down to
Mr. Cory's went down to his house sat under the piazza till 9 o'clock
and then went into the house Mrs. R. soon came down and I
went home with her she told me going home that Cory was making
the 2nd intercom &c. I told her don't say much said she I don't
care if my friends do know about it I hope I shall be right next
