

Saturday May 3^d 1862

Foggy this morning up at 5 o'clock Bar 29.85 went to work in the evening a few moments and came home 9 o'clock retired 10^o

Sunday 4th

Rose at sunrise read 8^o clear but a little cool the birds are singing beautifully and A.W. did not go to the house of worship this morning for I have not been first rate during the last few weeks but I am in hopes I am getting along very well now it is a very clear beautiful day and westerly but I have only been to Mr. Howard's gallery to day at home this reading and thinking meditating some might call it clear and pleasant to night 29.80 nm- before ten I thought I would keep quiet to day.

Monday 5th

A beautiful morning left my bed just before sunrise 5 minutes before 5 o'clock the birds are singing and the air is fresh and it is pleasant to see the "King of day" come forth in the east in the evening went up street and met Mr. Butler and I walked up to the Common with him and then I came home at 9 o'clock read a while in Mitton's Hist of Dutch Republic and retired 10^o o'clock Tuesday 6th

Rose about 6 o'clock and went to breakfast and as there is nothing new to day I will be brief in the evening went to Mr. Cory's and staid till 10 o'clock had a very pleasant call at home and retired at 11 o'clock

Wednesday 7th

Clear wind north heat nothing has transpired to day particularly interesting as I know of in the evening walk out a little while came home before 9 o'clock and went out about 4 retired at 10 read a little in "Mitton"

Thursday 8th

Clear and bright this morning wind A.W. cool I am writing this at six in the morning

Friday 9th

Up this morning at 10 minutes before 5 very cool for the season as the Almanack have it I have been reading in the "Netherlands" for 1 1/2 hours clear and cool in the evening called on Mrs. P. and came home at 10 o'clock and retired at 10^o

Saturday 10th

Up this morning at 10 min past 5 it is cloudy but quite warm in the evening called for a few moments at A. Clark's home at 10 retired quite pleasant

Sunday 11th

This morning clear and bright but quite cool

up at 6 o'clock reading in the Hist of Netherlands and I read "Eighteen years of Portuguese Administration" 10,220 individuals were burned alive 97,321 punished with infamy, confiscation of property, or perpetual imprisonment, so that the total number of families destroyed by this one Friar alone amounted 114,401 it brought the savages of India and America to shudder at the name of Christianity. It was a bench of monks judging of the secret thoughts diving into the secrets of families and taking and torturing till confession and then punish by fire

Oct. 323

Previous to the accession of Charles 5th the Inquisition had not been known or established Red Rod the Inquisitor and burned men for idle words or suspected thoughts. Jack went out at 7 o'clock walked by moonlight called on Mrs. P. came home at 10 o'clock read a while and retired

Monday May 12th 1862

A clear and beautiful morning rose at 5 o'clock the birds sing beautifully what a splendid concert they give!! and how cheer our hearts further grants music to us in the birds and home - in the soft falling showers and how perfect every sound in nature, is; at this moment a beautiful English Robin is singing delightfully his throat seems overflowing full of music in the evening called on Miss Routh and Miss Leach at Miss Routh's had a very pleasant call home at 10 o'clock left there about 10 minutes past 10

Tuesday 13th

Bar 6 AM 29.80

Rose 5 o'clock finished writing a letter to Capt. Vinal the 4 I think that I have sent to Sydney. The weather is quite mild this morning have sent a letter to Capt. Vinal to and also a newspaper containing the news of the late battles and the condition of things generally in the evening called on Mr. Mendall and left word that I should like to see him and then I fell in with Mrs. Cory and one of the Mendall girls and we went up to Miss Routh's and I met Miss Vickery of Fall River and we staid there a few moments and then I went down with the three young ladies to Mrs. Cory's and then to Miss Mendall's and then I went to the Hibernian Exhibition at Liberty Hall it is very fair but I had as live look on some of the Hibernian paintings & statues as exhibited in the London Art Journal I am reading in the Hist of Dutch Republic Barometer at 29.74 Rising a little
