

Guards left New Bedford

Friday May 28th 1862 Bar 30.00
A clear morning up at 5 before 6 - nothing out of the common
course during the day in the evening took a walk
round to G. J. Cony's and came home and went home
with Mrs. Perkins home at 10^o

Saturday 28th Bar 29.90
A little cloudy this morning up 5¹/₂ I think we may have
rain in the evening got my picture of Maria's at 5.00
Nothing new during the day at 10^o clock Bar 30.00

Sunday 25th Bar 30.00
Clear pleasant and beautiful this morning - there were no
services at the Unitarian today they are putting up
the new organ in the evening took a walk and
then called on Mrs. Gummel at Mr. C. Sealby's
House till 10^o clock and then came home Bar 30.00

Monday 26th May 1862 Bar 30.00
Up and dressed at 5 minutes before 5 a beautiful morning
at 7^o clock this morning a summons came to
Frank to meet at the armory to go to Boston at
10¹/₂ o'clock but they left at 1¹/₄ before 1^o clock
I asked him to be a good boy and told him I
would get a person to take his place but he
said no, he wanted to go, and I did not say
much more about it he was so bent on going
I gave him a little money and Frank he will try
to do his duty faithfully; may the Father of all
mercies help him and guide him in the path
of right and duty I hope he will do well, in all
things. OX!! God grant it in mercy and he his
shield and protector he knows that then don't love
all the children and ~~love~~ care for them with more
than ^{any} parents love I called on Miss Peck this evening
and Miss Leach was there I staid till about 9^o clock and
then went down to my ^{room} with Miss H. and spent a few
moments and on the way down Miss H. told me she all
sympathetic with you in the departure of your son
I thanked her; and, I know they were no hollow words
I know them to be good and true friends and I like
them all very much Mrs. C. said come and see me
I thanked her &c. I called on Mrs. Barton at 1¹/₄ to 10
staid 10 to 15 minutes came home and retired

Tuesday 27th 1862 Bar 29.80
Rose at 6.20 minutes at 11 nothing new has occurred yet
nothing took place especially interesting in the evening
went to P. Office and home at 8^o clock Bar 29.60
a rain during the day ~~and~~ (the whole day) which
was very much needed at this time

Wednesday May 28th 1862 Bar 29.60
Up at 6^o clock mist heavily I think it may clear away
in the evening Mr. O. B. Givens and Frank returned
from Boston did not go to the New because the bulletins
was for a longer time than had been supposed and
thereupon he short a notice they declined to go
went to the Parker House Jan. Rivers came home at
10¹/₂ o'clock Thursday 29th 1862 Bar 29.80

A clear beautiful morning wind N.W. up at 5¹/₂ o'clock
nothing new during the day in the evening called at Uncle
Ephraim's 10.15 Mr. Fisher was there staid till 10¹/₂ then started
for home

Friday 30th 1862 Bar 29.78
A clear morning nothing new up at 6^o clock nothing has
happened during the day nothing of note I went to see the
Ladies Miss Fanny Leach & Maria Mendall we went up the
River to the head staid about 3¹/₂ returned at 6^o clock
and then I went up with Maria - Miss Leach turned in
the street and went home alone in the evening I called on
Miss Booth & left a paper which I intended to have handed
to Miss L. Concerning Mr. Loring's letter home at 10^o clock

Saturday 31st 1862 Bar 29.80
Up at 5¹/₂ o'clock read a "History of Rotterdam" nothing during
the day of note took tea about 5^o o'clock and went to the
Counting Room took a sail with Frank & he it was quite calm
returned at 6^o clock and I went to the post office and then took a
stroll up towards the circus staid a few moments on Miss
Jennings' wharf I saw at the window and she came down
I then went to the circus grand staid a few moments and came
away home at 9^o retired at 10

Sunday June 1st 1862 Bar 29.92
Rose at 7¹/₂ o'clock I read in the Hist of Dutch Republic 1485-
1621 over the first of April 1572 William de la Marck with 24
vessels entered the Meuse near the town of 'Belle' The in-
habitants left suddenly and with great fear it resulted in
a surrender of the City to the Admiral and he took almost
quiet possession before sunset they met in the center of
the City and the foundation of the Dutch Republic was
laid; in the evening about 8^o clock called on Mr. Howard
staid till 9¹/₂ o'clock dark and raining when I came home

Monday 2nd Bar 29.75
Up at 5¹/₂ o'clock rose till 6.10 minutes and then was
called down to receive a letter from E. Amos nothing
especially strange or new to day in the evening went to see
Bridges' saw the Ray from "Johann Compton" came home at
10^o clock and retired
