

O Come come away

Come come away from labor now reposing
Let busy care awhile forbear

Oh come come away

Come come our social joys renew
And there where Trust and Friendship grew
Let true hearts welcome you

Oh come come away

From toil and the cares on which the day is closing
The hour of eve brings sweet reprieve —

Oh come come away

Oh come where love with smiles and cheer
And round its hearth with gladness be
And time fly merrily

Oh come come away

While sweet Philomel the weary harpster cheering
With evening songs her notes prolong

Oh come come away

In answering songs of sympathy

With song in tune full harmony

Oh Hope Joy Liberty

Oh come come away

The bright day is gone the moon and stars appear
With silver light illumine the night

Oh come come away

Come join your prayers with ours address
Think Heaven your peaceful home to bless
With Health Hope Happiness.

Oh come come away

Eternal is my love for thee
Thy angel lovely sweet
My soul is longing for to be
Lying at thy feet

To Sarah

Farewell dear girl farewell

Since we awhile must part
I hope each gloomy fear dispell
That may approach thy heart

Dry up each falling tear
Each rising sigh suppress
Nor with imaginary fear
Create real missteps

Though absence many an hour
Shall keep thee from my view
Absence will not increase thy power
Absence will prove me true

Once more dear girl farewell
Since we awhile must part
Let hope within thy bosom dwell
I'll wear thee in my heart

W. G. B. C.

Worries ~~to~~

Sarah thou art a very handsome girl
Yes thou art very beautiful I mean
The very prettiest girl that I have seen
This great while. Maiden of the waving curl
Thou art as playful as a little squirrel
Thou art as lively as fresh brewed hop beer
And yet as serious & doleful like the sea.
I sh start unbidden from thine eye and heart
If drops do run down both thy beautiful cheeks
Wetting thy gown or apron if so be
Thou hast one on ~~the~~ yes indeed for me
Thou art just the thing I've thought so for some weeks
And yet I don't know really what to do
Say tell me now dearest girl do you

Ends
