

Remarks onboard Thursday November 11 1841

The 24 hour compass with variable winds from the SE
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 2 = 25 N

Remarks onboard Friday November 12 1841

The 24 hour compass with light winds from the SE
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 2 = 23 N

Remarks onboard Saturday November 13 1841

The 24 hour compass with strong breeze from the SE
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 2 = 40 N

Remarks onboard Sunday November 14 1841

The 24 hour compass with strong breeze from the SE
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 3 = 07 N

Remarks onboard Monday November 15 1841

The 24 hour compass with variable winds from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 3 = 29 N

Remarks onboard Tuesday November 16 1841

The 24 hour compass with light winds from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 5 = 04 N

Remarks onboard Wednesday November 17 1841

The 24 hour compass with strong breeze from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 5 = 04 N

Remarks onboard Thursday November 18 1841

The 24 hour compass with light winds from the SE
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 6 = 36 N

Remarks onboard Friday November 19 1841

The 24 hour compass with strong breeze from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 6 = 36 N

Remarks onboard Saturday November 20 1841

The 24 hour compass with light winds from the SE
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 4 = 09 N

Remarks onboard Sunday November 21 1841

The 24 hour compass with light winds from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 6 = 54 N

Remarks onboard Monday November 22 1841

The 24 hour compass with light winds from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 6 = 54 N

Remarks onboard Tuesday November 23 1841

The 24 hour compass with strong breeze from the S
steering N 40 E 1/2 mile & later part strong breeze saw plenty
of porpoises plenty of rain
Lat 6 = 54 N
