Tuesday 28
All these 24 hours light breezes from SE & fine weather Employed in Squaring the lower rigging Saw finbacks
Thanks be to the god of heaben Latitude 00 09 S
that we are to the South of the line
after 4 Long & teagus passage I anticipate
that day when we Shall crass it
again with a full Cargo of Sperm Oil
& all well I Can Emmagin my feelings
if not acquainted with no bad tidings
from home previous to the time & what
a Contrast of feelings when Sailing
from or towards home ar yes a far greater
beteen parting & Meeting far you dear sweet
America & sweet Lale to I inhopes to Meet
again ar I Should be Miserable O sweet
& heavenly breezes waft our Ship along
to the distant Seas that we may be
Sailing towards our native Clime again
in a less time than is Expected so may
the almity who rules & rains the creation
grant it Long by Lunar at 8 Clk 24-36
By Chro 22-26
