

Remarks While on shore at Mauritius 1848

April 5th

Friday First of this day fine weather and a fresh breeze from the N.E. I went out this morning for a walk but found saw nothing of importance most of the People here are Mahomedans. Arabs & Chinese men so ends this day

April 6th

Saturday First of this day began with fine weather and a fine breeze from the Northward the Mail's Steamer arrived to day there is nothing more to note so ends this day

April 7th

Sunday First of these 24 hours fine weather a strong breeze one large ship sailed to day for Bombay there are now four boats to the States so I shall have to wait a spell longer I took a long walk to day down on the point of Sand about the fort saw 6 vessels lay out side so ends this day

April 8th

Monday First of these 24 hours cloudy weather Northwardly wind I went down on the Pier this morning to see if I could get a chance to see the Capt of the Dark Princess of India and tried to get a chance with him but he could not give me a separate answer at that time but said perhaps he would give me a chance on board so ends this day

April 9th

Tuesday First of this day began with fine weather calm and light wind from the Westward nothing of importance to note so ends this day

April 10th

Wednesday First of this day cloudy weather strong Westwardly winds mid & latter parts the same there is nothing to note to day so ends

April 11th

Thursday First of this day fine weather N.W. wind I took a walk this morning down to the Pier then out in the outskirts of the town saw nothing worth mentioning latter part the same so ends

Remarks While on shore at Mauritius 1848
