

John Lottie C Cook Working

Middle and latter part thick fog  
at 8 AM struck 10 fathoms water  
came to Anker and held until it  
cleared up and ended this day

Permanes on board Thursday 13<sup>th</sup>  
at 1 PM light wind from SW  
it cleared up and I found that I  
was in the mouth of Vineyard  
saund set the collars for a fair  
and came catchment kept of for  
quick make we came through and  
arrived at New Bedford at 6:30 PM  
made first to work and end the  
Voyage
