For the first part of these 24 hours beating through the ice at Johanna Island bearing S.W. by W. distance 20 miles. Middle part thick fog. Latter part a strong breeze at Ponas island, on the weather beam beating up Babilen sight. S. T. & Co. took a stinker

Dear
Wednesday
26th

21
St. Lomas Island 1858

Commenced with a strong breeze
beating up to the island & sail to
the ship in the ice. Middle part
calm ice all around us " "
Latter part calm lying aback off St
Jonas island. Lab. Boat on shore for Eggs
& Ducks returned to the ship at 2 P.M.
with a mass of Ducks kept off staving Mr
raised a Bow Head 1 mil off. Lowered
the boats the whale went in the ice and
we lost sight of him boats came on
board & all hands went to dine so ends
this 4th hours 25 sail in sight scuttling &
boiling " " " " " "

Boiling " " " " "
" Commenced with a light breeze
stirring about the ice. Ships, Milton
"South Seaman" "Caroline" on the starboard beam
in the ice "Middle part - a light
breeze. Latter part the same in
and about the ice. Jonas Island in
sight distance 8 miles

For these 24 hours cruising in
and about the ice Middle & S.
Latter part the same no whales
thick fog the Three Brothers of Kentucky
boiling " " " " " "

For these 24 hours a strong breeze beating about the ice. Thore's Bark Kingfisher sailing her third whale. No sail in sight sounds these 24 hours " " " " " "

Commenced with a light breeze running off down through the broken ice at sunset the man went on board bark Dan Wood. Ship Levi Starbuck on the lee quarter middle part laying aback latter part making about the 15 sail in light
