

Bark Case to Honolulu

1882

Rocky Broken

My spirit child I have a song to give you
 It's a lark would pipe to cheer the dull and gray
 It's a new part in the song I can lead you for
 For every day.

Be good sweet maid and let who will be clever
 Be not things with things but dream them
 all day long.
 And so make life death and that last forever
 One grand sweet song.

If there is virtue in all the world at which we should
 aim it is cheerfulness.
