- 1- For a few years King, sent out an expedition against the Sythians and the Sythians gave out of his head and threw it into a bag filled with human blood.
- 2- Benjamin Disraeli ten years in 1805 was educated in a private school and after several attempts he was elected to Parliament, and in his first speech he made a miserable failure.
- 3- The president suddenly, at the suggestion of Adams called a meeting of his cabinet to deliberate on the relations with France.
- 4- The Romans defeated Hannibal at the greatest general of antiquity at Zama.
- 5- Tired out with hard study at the close of the last term I went on a vacation trip to the country.
- 6- After riding a short distance we came to a spacious mansion of freestone built in the Grecian style, surrounded with clump of trees.
- 7- A fine lawn sloped away from the mansion so disposed as to break a soft, fertile country into a variety of land & sky.
