

Tuesday May 14thLat 29-40-N
Long 61-09-W

This day commence with very moderate weather and moderate wind from about E.S.E. the crew employed down adds pots around deck during sawd some said the Sch. heading in to the Northward by the wind saw one whalling Sch. in sight at dark took in mainsail and set mantjesail heave tow heading N.N.E. Middle part the same

Capt had a little trouble with John Jones during the middle watch finally ending up by the boatsteward trying to force the captain put the man in iron as first he refused to submit to them but finally decided he had better. This man has been more or less troublesome all the voyage so I shall keep him in iron in order to quiet him down a little. gave him his meals and he refused to eat supper or breakfast

Wednesday May 15th Lat 30-14-N
Long 61-11 1/4 W.
