

Bark *Albion* of N Bedford in the

Friday Feb 9th 1844

These 24 hours begins with baffling and
unsteady Wind from the NW to NNE at
6 PM saw 1 Whales to Sea Wind in 60 with
the Bark Winslow from N Bedford comes to
sundown got one the Westrick first on him
along side at 8 AM cut him in at 11 AM
last part a fresh gale from NE Bar 30

Lat 34-48 N Long 159-29 E One

Saturday Feb 10th 1844

These 24 hours moderate breezes from the
SE with fair weather at 4 PM saw 1 Whales
at 5 PM lowered but had no chance to strike
before dark did not get near enough. the
bark Winslow lowered got her boats there
with us at 6 AM saw them again put
out the lines at 8 PM lowered got on with
the ^{upper} boat the boat steered round
him a large Whale and on his back
but Mr Norton was inconsiderate enough
to try him a quiver with the second
iron run the line got up ready enough
to hook it and bent on the line of another
boat but could not strike him out and
lost him No Oil

Sunday Feb 11th 1844

commences with moderate breeze and fair
weather but at strong breeze Wind NE at 2 PM
got the boats on board boiled out the Whale
at 10 AM at 8 AM broke out after 10 AM came
stomping down Lat 34-23 N and Long Bar 30

Pacific Ocean Whaling Ship

Monday Feb 12th 1844

These 24 hours strong and unsteady gales from SE and
the most part cloudy have been have two the most part
stomping down Oil in the after hold got all down but
at 12 AM Bar on 30
Lat 34-25 N Long 158-39 E One

Tuesday Feb 13th 1844

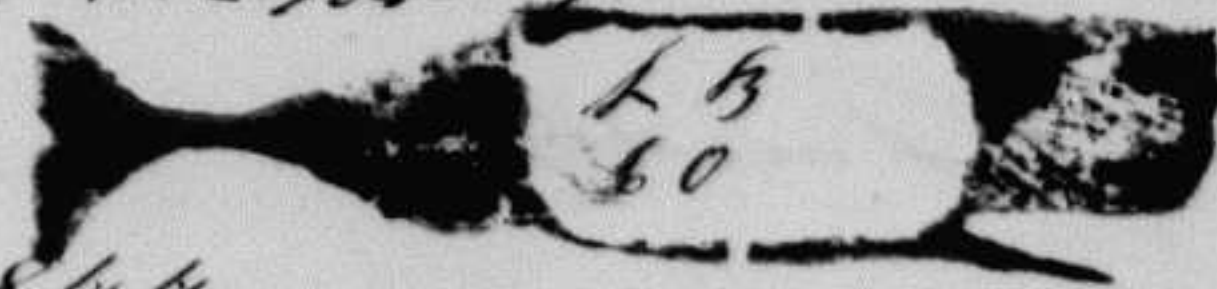

These 24 hours strong breezes from NE fair weather
headed to the NW the 24 hours saw 2 sail at
3 PM stomped down all the Oil we had on deck 100 lbs
Lat 35-13 N Long 157-42 E One

Wednesday Feb 14th 1844

These 24 hours fresh gales from SE to NE
the most part cloudy at 1 PM hooked to the
NW continued on the eastern tack the 24 hours
saw 2 sail gone to the south of us Bar 30
Lat 34-25 N Long 158-45

Thursday Feb 15th 1844

These 24 hours fresh breezes from SE to NE
and fair weather at 1 PM hooked kept on the weather
tack the 24 hours 5 sail in sight all to the N
at 1 PM 35-45 N 156 Long 158 Bar 30-41

Friday Feb 16th 1844

Commences with a fresh whole sail here saw
a ship too far Wind a mangled Whale run down at
6 PM got down lowered struck a boat got one got
him a long side at 8 PM saw an English Barge bound
to North at day break hooked down got in gear and body
at 12 AM last part strong gale from East to SE
Lat 35-47 N Long Bar rise 30
