

at 2 PM back out the hole & got out
wood with flour sugar & meat

at 100 m and bent the fore
 feet & commenced
 crawling at 110 m. 2

saw a plenty of gull
 near at 6 AM saw
 a strange bird starting to
 fly over the water.

ever my dear friends
suppose that
we are much sicker

204
I bank in here 200 lbs every
year with 40 lbs

10

beginning to anchor Mr. March's vessel
before off duty

laying the anchor
Mr. March 25th

has a few more packed. 20

white lead ore. 20

horse pipe & it.
