

March 11th 1881

Light E. wind

Wind blows you two streets wide
and as far down as the eye can
discern allso some shitting, supposed
to be caused by striking some
floating substance. Most of night
find no increase in the heat.

Lat. 2-58. S
Long 33-55. W.

Mar. 12th

Strong E. wind big by the air

Lat. 0-28. S
Long 34-12. W.

Light trade, course S. W. S.

at 2.30 P. M. sighted the

Light E. wind

Lat 13-23. S
Long 58-36. W.

barbados, came to wind under
short sail, heading S. E.

Mar. 31st

at 6.00 AM Strong E. S. W. wind
big running along the coast
at 10.30 AM D. anchored in the
port of bridge town, Barbados
(Sailings dead going into port
more especially after a poor cruise
expect trouble more or less of this
time it will be more rather
than less.
