

And about 17th set the main and mst
topsail the bloos and the sea and
they set that mst and the sea over the star
board and filled the boat half full and
one came in a middships and barged away
the board and about 7 am wee loosed the
galansails and about 10 am the wind began
again and about 11 wee jibed the main
sail and at 12 wee took 2 reefs in each top
sail and at 24 hours latitude by observⁿ

Wind
Day 18
18th

This 24 hours begins with strong winds from the
N.W. and under strong sail the wind continued
to blow and heavy rain fell and ship was
very hard and about 1/2 past 10 the wind
bated a little so that wee took 2 main tops
sails and about 11 the wind hauled round
to the S.W. and wee shook the reefs out of the topsails
and loosed the galansails and about 11 am
the wind began to blow again so that wee took
in the light sails and took 2 reefs in the topsails
so ends this 24 hours latitude by observⁿ
