the Mariners grave 1853

I remember the night it was stormy and
Cloud dismal dash the dak Wave
The rain and the wet dark dud hardly ded
Was the [illegible] day grave

I remember it was dark-ii-dark-and dak

I remember the night it was
Stormy and wet

Winter thou wast mild and early
Gentle as the summer breeze

Sister i love the Thy cheeks so rose
Could I see you again To Tell
To Tell the times I have had Whilst on
The dark blue sea
