P.S. At 4 O'clock this morning I went
on deck and found Mr. Sylva asleep on
his watch on deck, I accused him of
getting to sleep & he was saucy, so I
sent him below off duty, at 11 o'clock he
made acknowledgment that he was wrong
so I put him on duty again, hoping that
he will do his duty as a Man of war officer
This is the fourth time I have found him
to sleep in his watch on deck
