E. S. ^{Pole} ~~Lopaleto~~ Lunkton whale and it came up quite

tivity. Las and Gais Beale returns about
 that time and all hands commenced cutting
 the whale in. Now at eight o'clock the Cass
 junior has just come in. The mate of the Union
 Mr Ellis came on board this afternoon, says they
 are anchored about fifteen miles north of us
 they are loaded with the Draco have taken
 about 400 Bbls between the two. Union has
 got ten of the whales Draco two. The Mar-
 Wat was sick with dysentery on board the
 Draco when we saw them but has since
 died. Mr Ellis reports the globe with 250.
 The Starlight has gone to the north of us
 today. I have been working as my share

Lat 29th I then moved Capt Snell came on board. We took anchor this morn kept all the boats on board intending to work up the beach, and lower for Mahia if we saw them. Capt Snell, came for permission Capt Smith has asked him ten Mills Reef and a cask of Quack, he loves it on board his vessel seen after we anchored. Near the Harbor the Lancer is also near. Capt Bealey & Snell passed the morn with us. Capt B. Rax brought of us an old boat and

Robert left Snell and coming on board tomorrow
to get some cloth. I finished my clippers
this noon. Have been working some time

Evening 30th This morn took up anchor again and started
w/ the coast beam but little wind but in
fair tide. The Guter and Deuce also are much
prob. going Northwest. I suspect the Lar and Vain
boats. These morn they are now chasing a whale.

March 30th. Rafts Boats and Sails came on board and took
tea with us. The Boats returned without

38. Pills the Dracos boat chased a gam of whales
24 1/2 Pills fastened to one but he was soon loose

any yesterday.

Last ^{Feb} / 10th / Left anchor this morn to cross the Congo River
 but was obliged to anchor again in the
 afternoon the head light and current so
 very strong could not get across, the light
 and Dece are also within a few miles
 ahead of us. I have finished the plan
 the current is the strongest I ever saw
 the water is of a dull reddish color.
