

July 25th This morn went down street and up to Mrs Daniel Smiths for a little while. returned in time for lunch have been suffering from a violent headache this morn. This ev the Bethel Choir met here for practice as there was a service in the Bethel.

Sat 26th Have been chirocheting a necktie. Matron Dams and Mrs Herbert have joined the ev in my room. The 3rd from Pale is being expected.

Sunday 27th This morn went to Bethel. This ev to First St Church. Mr Putnam called over most with me.

Monday 28th Mrs Herbert has taken sick this morn called to Dr and he thought she would be confined before night. forced her to the large room and I got grey sitting in vacuities but she has not brought forth yet.

Tuesday 29th Mrs Herbert still continues ill & is unable to sit up. New Belle and her baby called this morn to invite me to come with them to a party to celebrate Silly Bolls. With reluctance I did not think I should be able to go but Mrs Herbert & I better this morn. The Australian Dr McQuarrie arrived today with his wife & family. I passed a very pleasant afternoon. started at eight o'clock. Dr Bollen sent his carriage to take me home. Mrs. H. P. Dams, and Capt. J. Smith and wife called this ev. Mrs. Dams called to invite me to dinner. he said nothing on Thursday ev and

Wednesday 30th Have been with Mrs Herbert all day. She is not quite so well tonight. think she will be confined soon. This ev Dr Bollen and Capt. Maclean called. I went to the large meeting at the Bethel. Mr & Mrs. Leiber came here with me.

Thursday 31st From Sea Francisco arrived this morn. I have a severe headache in consequence of keeping awake so much have not had a good nights rest since Sunday. But 3 o'clock almost sick today yet have kept busy. The Physician called today. The Amet arrived

Thursday 29th Had my walk with Mrs Herbert nearly all night. sleep not well. Here her from this morn. Went after twelve. she has been very sick we all thought her dying at one time but by the aid of a skillful physician her life has been saved. She has a fine daughter born at chosen adults since I left her room have been arranging flowers for the festival and helping get the house ready for the Ball that is to be held here this ev. Capt & Mrs. Beckers here invited me to go with them I do not feel very much like it but must go for a little while to look out for Nellie. Friday 30th Have been taking care of Mrs Herbert and daughter. The doctor called at 2 1/2 P.M. He said she was better. The Amet arrived
