1854 Many duties neglected and much that should
 have been neglected that has been done
 and my heart is to God in prayer for
 grace and patience to enable me to do
 far better in the future. My business and
 5.4 Sal Charles and many dear friends are
 98.57 Long to me. Oh how grateful I feel, for these
 blessings Heavenly Father bestowest upon
 1853 us give us wisdom to direct and help
 us we pray Thee to be true faithful earnest
 Christians, living each other and true and
 1852 hearts be consecrated to the service. Oh
 help us to train our little son in the
 way he should go, and grant us prospering
 or grant that we may be the successful
 in the business in which we are engaged
 through the old God's hand with. Ever be
 remembered on account of the death of
 1850 my dear brother God in His infinite mercy
 grant that the remaining members of
 1848 our family circle may be spared to meet
 again on earth.
 1847 "A Happy New year" but grant it may prove
 so to all on board our little boat.
 1846 I and to our many friends scattered up
 and down the world. We have lost to
 1845 99.6 a small dry little wind we drive
 on Board Park. Stuffed, Potatoes, Jam

 1844 The news of this day would sound very
 well for the three days past, it has since
 and will for three days, with very light breeze
 we get no observation for two days. I have
 finished my cushion and wash the table for the
