Sun 1st

Have had a rough day. Little wind but a very heavy swell. The day has seemed a long one. I miss my oxygen very much. Sickness more than at any other time. The wind is more favorable tonight. My heart still troubles me but I can stand the day sewing patchwork.

Sat 3rd 80

Sun 12th 40

There has been but little wind but a heavy swell. Saw a jumper this afternoon. My teeth and heart are acting badly.

Mon 2nd

Sat 3rd 17

Sun 12th 34

The weather has been a little better today but not quite smooth enough to work. Have been sewing patchwork.

Tues 3rd

Sat 3rd 14

Sun 12th 54

In this account birthday I have spent in Washington. There was not that much but a Cat. still. Large male one in front of the house. One of the Hawaiian Island birds. They are very beautiful and valuable. The bird called the is now very scarce. Also an ornament. Male of ornament shells may cause.

Wed 4th

Sat 3rd 40

Sun 12th 51

Another week is over with the pass we have now a great breeze in fact too much so have been obliged to anchor sail. have had occasional spasms yesterday they took all the whole time from the pain and airt and upset it. I have finished my quilt tonight it contains 1452 pieces and 1034 different pieces. My heart and teeth are still very painful.

Sat 7th

Sun 12th

Sun 12th

Have had a beautiful day with fair wind. a large ship is in sight. It is 6 P.M. incidentally sunset around Cape Horn our course is E. by S.

Mon 1st

Have been at work all day. Working on my black alpacas dress. have finished tonight and feel much pleased with my dress. It is quite rough with a great breeze.

Sat 13th 21

Sun 12th 28

Have finished up my black silk shirt. Spent it with all and forth. Made it over. have had quite a rough day. Saw a sail steering towards the Olsen but we have left them far out of sight.

Tues 1st

Sat 3rd 28

Sun 12th 20

Finished my silk shirt. Made over my old hat and made over my gown and black overalls. My heart and teeth trouble me very badly but more at night than during the day.

Wed 1st

Sat 3rd 38

Sun 12th 00

Spent the forenoon mending and doing several odd jobs. This afternoon have cut out four night shirts for George. There is a very heavy swell so it is hard work to do anything.

Thurs 1st

Sat 4th 33

Sun 12th 48

Commenced one of the shirts and am getting along nicely with it. My machine works better than it has done before for a long time. It is getting quite cold here a beautiful mist that seems to show directly from icebergs.

Fri 1st

Sat 4th 36

Sun 12th 53

Have finished dress shirt like it very much. have made the basin with ticks and gussets and trimmer collar and cuffs with. Quilts here have a very heavy swell. are on the wind course ESE.

Sat 1st

Sat 4th 30

Sun 12th 55

Have had a rough uncomfortable day but the weather looks better tonight. My heart and teeth are acting badly. Very heavy fog. have been around and
