Thurs 20th Have had a rough day. I fore-
 23.01 shell's suit, tonight. Saw a hawk this
 43.46 afternoon hearing S. M.

Sat 21st We had a very rough night, but a
 43.46 Lungs Lungs got up and went on deck
 mob for an hour or more. I have been at work
 on weather work today. It has been raining
 very hard so we were very much
 43.46 of water

Sun 22nd Have had but very little wind all day

Sat 31. 28 out a very heavy swell from S.

Say 43.11 so we have been rolling fearfully. R.

1848 Ruz has been in sick all day but

Mon 23rd I have washed and washed my

Sat 30. 54 clothes. Have had a pleasant day

Say 43.04 but it is blowing up like a storm.

Tues 24th I have been quite sick today but

Sat 31.10 not get up until noon and have spent

Say 43.42 the afternoon lying on the lounge. Have

seen a few turtle today.

Wed 25th Have had a pleasant day with a very

Sat 31.35 light breeze. Have caught three Albatross

Say 43.55 have seen several turtle. I have cut

partly made the jacket

Thurs 26th Have had a squally day. I have finished

shell's jacket and commenced the web

the weather is better tonight and we

are going to carry sail all night, and

hope to be where the prospect of fresh

is brighter tomorrow. There is not even

a bird to be seen here. I have had

my plants out in the rain today

and they have got much washed.
