James Townsend Master; on a whaling voyage.

1833

H.	M.	W.	Courses	Winds	L.W.	Remarks
41	3		S.W.	E.N.E.		Begins with a light breeze from the westward and some clouds, at 4 P.M. in bearing round the yards carried away the M.T. Gallant, and it down, broke out between decks and got out another; a heavy rain squall prevented doing any thing till 11 morning, middle very high air, latter part light air, baffling and flying clouds, employed in fitting the yard and brack - ing for Capt. P. Hawkins.
