

Chas Boy has a deform - Menus
Stantak and Stadua
 and Stadua - Stadua
 } Can't eat up as much as
 } Ground and Soil of 3 1/2 in. before
 } they are changed and built
 } and they grow so

On clearing up at daylight
found one bill of 3/4 in paper

Sunday June 5th
Commenced with heavy breezes
from S. to E. S. E. all day. Closest
took at Sunsett the same gust in
light working up for it. Much
more latter the same got up within
18 or 20 miles
