

April 1846

Mon the 28th the all hands on board getting
the ship ready sea ship & men 90

Tues the 29th at 8 o'clock leave short and board
the topsails took 4 passengers on board
for Oahu at 10 AM weighed anchor and
made sail for Oahu so goes

Weds the 30th laying off of 9 in at Oahu
at 7 AM went on shore with 1 boat
at 5 PM returned on board and made
sail for the W. W. in company with
the ship Mary of New Bedford some
squally double reef the topsails
cover W. W. so goes the day

Thurs the 31st the weather was so strong
but the Mary went W. W. steering
W. W. by N.

May 1846

Fri the 1st of May strong breeze from
the W. W. steering W. by N. 1/2 E the
ship Mary in company with us but we
can't sail her out single reef top sails
and keep her astern of us at that

Sat the 2nd a strong breeze from the
W. W. steering W. by N. 1/2 W under
single reef top sails and W. S. Guilant
sail Mary still in sight so goes the day

Sun the 3rd light breeze from the W. W.
steering close hauler on the Star
board tack at 10 PM was gannet
with the Mary at Lat 32.10 North

Mon the 4th a light breeze from
the W. W. steering by the wind
the Mary about 10 miles astern
of us we lowered 3 boats for
Black Fish but caught none

Tues the 5th light winds steering full
and by we are employed in
mending boats and sails nothing
in sight this 2nd day
Lat 32.23 N Lon 160.14 W

Weds the 6th first part light wind
middle calm the last part strong
breeze ship heading W. W. with
her lar tacks aboard at 11 PM
we were ship under double reef
top sails had some rain
