

Monday June 22nd 1868
 Comes in with light airs from S.W.
 and calm. Ship off Flores bound for
 Natal, having obtained 100 Bushels of potatoes
 6000 onions &c. Sold about
 350 lbs of Tobacco @ 45c per pound
 all day water blue and clear with
 tallow drops - sun galls - porpoises aback
 skipjack &c. ever indication of sperm
 whales. At sundown Flores bearing
 W. by N. dist. 30 miles - nothing
 more in sight - One man by the
 name of Smith ran away yesterday
 at Flores

Tuesday June 23rd 1868
 First part light airs from S.W. and
 fine weather. Steering for Natal
 at 9 a.m. sighted the island
 took in the larboard boat and put
 her overhead - put starboard boat on
 the larboard boats cranes and took
 a boat from overhead for starboard
 boat. At sundown Natal 30
 miles dist bearing E. by S per
 compass - nothing more in sight all
 day. We have four men we
 took from Flores all Portuguese
 3 more than when we went there

Wednesday June 24th 1868
 all day light baffling airs from all parts
 and calm at 3 P.M. hooked on the boats
 and went to towing - at 8. came to an
 anchor at Natal harbor in 20 fathoms with
 our best larboard anchor - 12th Concordia
 having come in some 3 hours before

Thursday June 25th
 light airs and cloudy weather - employed
 on board in cooping oil &c. 3 men
 Brown, Barry and Pierce deserted while
 the boat was on shore

Friday June 26th
 light airs and fine weather all these 24
 hours put our oil on board the Concordia
 284 Bbls all told. have heard nothing
 from the deserters.

Saturday June 27th
 light baffling airs and calm with fine
 warm weather took our anchor and
 stood out to the south in 100 with
 12th Concordia - calm
