

Sunday Oct. 17th 1869
 Comes in with moderate breezes from
 the S. E. and squally weather,
 and an ugly & cross chopping sea on
 ship heading to the N. and E
 under easy sail - all hands em-
 ployed in stowing down oil in fore hold
 stowed 82 Bbls. The last fare
 of 4 Whales giving about 115 Bbls.
 15 Bbls for the first taken in Co. with
 team, Harris - 30 for the one taken
 by W. Boat and 25 each for the
 2 others and the one taken by Sash
 Boat next day. - Saw one sail
 steering to the E. - Nothing more
 in sight. Lat at merid 40.28
 Long. by Chron. 47.38

Monday Oct. 18th 1869

Tuesday Oct. 19th 1869
 Comes in with light baffling airs
 from all points of the compass and
 rainy weather - Ship steering NW
 with all prudent sail out. 1 Bk
 Addison in sight - at 11^h saw
 Sperm Whales - at 12 lowered
 and chased Bk Addison lowering
 her boat at the same time, Ad-
 dison's boat soon went on, and either
 struck and drew or missed and
 galled the whales, there being a
 large school of 40 Bbl Bulls. Boat
 chasing all the P.M. Thist Boat
 went on and darted twice and did
 not fasten, - Missed once there being
 a good chance, - Starb boat went
 on once and missed there being a
 good chance, - at 3 P.M. a
 light breeze springing up from the N.
 - being calm all the P.M.
