

Barque Octavia Lying at St Marys 1838

Friday In Port this day at 1 PM got under
sail from the lower end of the river
August 10 & came to anchor about 4 miles
from the lower part of Port rain middle
Later Port fine weather at 4 PM
saw one boat after whale but did
not get any & end this day

Saturday In Port this day all hands doing
nothing this day left on shore to Point
August 11 Long on shore all night & end this
day doing nothing

Sunday In Port this day at 4 PM bore
a head at 12 got bus on shore on main
August 12 Sail at 5 PM came to anchor under
the lee of Point Lacey fired sails
to last mate went to shore & end
this day a sailing about from
place to place on for that matter
we have seen nothing else since the
ship came to anchor in this Port

Monday Lying to an anchor under Point
August 13 saw no material business due to
frequent showers of rain

Tuesday at Point Lacey at 4 AM saw on
August 14 struck a lamp rock killed one on last
from the other to one that was killed
came aboard & got dinner left went on
shore & end this day

Barque Octavia Lying at Point Lacey 1838

Wednesday Lying at Point Lacey at 12 Comm
August 15 sail taking of rice for St Marys
& end this day

Thursday Lying at Point Lacey this day all
hands employed in taking rice
August 16 & end this day

Friday Lying at Point Lacey this day took in
August 17 John boat load of rice & end this
day

Saturday Lying at Point Lacey this day took in some
August 18 Rice at 12 PM the ship struck a drift
let go the starboard anchor took shortboard
anchor the bite of the chain caught
two round turns round the flukes of the
anchor cleared the anchor hove up the
small anchor made sail beat up to
the old anchorage and left go the shortboard
anchor again fired sail and then took
in one boat load of rice & end
this day

Sunday Lying at Point Lacey this day took some
August 19 Rice at 12 brought the ship on
board did not able to do any thing
at all at 4 PM got under way
& beat along up towards St
Marys & end this day
