

Friday November the 6th 1895

Ship Tays blew under in one running time on
the S side of pass saw plenty porpoises
and black fish and hauls
we camped with the meriah it got me
left the meriah more ship the steam
ship to

So on this day
I will remember the 14th Nov 1895

24
 1100 On this day
 I remember the 14th 1895
 this day pleasant weather George & I
 went to the city. All having improved
 at ship duty under the press of sail

This day we went weather being E
windy & by 8 AM having implead
the ship's duty under the press of sail

And this day
January Mon the 8th 1835

this day a strong gale from the SE
 shortened sail to 1/2 and
 steamed by the wind to the SE of
 the 1st light to the 2nd light
 steaming 11 1/2 knots this day 10th
 July 1876 34.95

And this I say

Jan Jay Mon the 8 Aug 33

this day a strong gale from the SE
 shortened sail to 1/2 and
 steamed by the wind to the SE of
 the 1st light to the 2nd light
 steaming 11 1/2 knots this day 10th
 July 1876 34.95

Sunday November the 1st 1885
This day strong winds from the sun compassed
by the to the NNE under Coasting sail
Saw & sold the watch in plant
At various sales noting yards and shops
So ends this day Sat 94th 00

thick fog strong winds from the S.W. congested

by the to the HSE under Coast Guard

Shaw & Ball the match in plain

So kindly this I am left 34.00

1870

Tuesday November the 11th 1895
 this day strong winds from the S.W. & steam
 by the wind made and shortened it especially
 we are impleit at noting yours and the birth
 of our day Salt 3329

the day strong winds from the S.W. stream

by the wind made and shortened it capably

we are implemt the acting unoff the Reporth
 10/1/22

1895

Wednesday November the 11th 1895
this day light winds with cold
-bore heard by the wind N.E.
the crew in port at 11th 1895
have nothing remarkable
etc. End of this day 59

other grey light wraps mostly steel cables

Have heard the KK men & K&K

the new implant the waves follow
the same path
