bellow Port San Juan
finished Cooping in the
main hatch way
having Cooped 800 hinders
by in 7 days
Lat 1-13 N
Long 154-54 W

Friday
27th

Begins with fine weather
and light airs from
East
Lat 20 miles N

Saturday
28th

fine weather and no Whales
Lat 49 miles South

Sunday
29th

fine weather and No Whales
Lat 1-15 South

Monday
30th

fine weather N. Whales
Lat 49 miles South

Tuesday
31st

Long 154-54 W
Sunar

fine weather and No Whales
Employed Cooping and
and Cooping the same
what we have got
as there is small prospect
to get more Lat 22 South

Jan 1834

Wednesday
1st

I thus began the year 1834
with fine weather and East
Employed Cooping and Cooping
oil having 2200 barrels on board
almost 2 months out
wanting to fill 1200 bbls more
but thus see the beginning of the
year who may see the end we
know not
I wish for health and Prosperity
but I know not what it
most proper for me to have
but the gift of all merits and
therefore I shall have whatever is
most proper

Thursday
2nd

fine weather other ways no thing
Remarkable
Lat 1-15 South

Friday
3rd

fine weather and no Whales
Winds from East
Lat 1-15 South

Saturday
4th
