

Samstag

Chinua commences light breezes at 3 P.M.

Heat got fast. Photos done. Jack about eleven

notes from the ship's commercial ledger

until we have then the Great Western Road

Ship to get a receipt started at 10 AM

00722 4/24/84 [redacted] 15

Nothing commends me cutting at 4 PM.

begin to feel so much happier and much less anxious

Linn

many circumstances were there. Jordan at 7.30.22
 saw 2. Nevada ordinary gnat 3.40 in light moon

*The
Lot*

it after a ride much shorter than the first

throng, part of a
blanket force at the foot of a
Eastern Continental divide

Lot

Shedda's Commission good weather storm close at 4

and however the boat it was calm it was over

get offing were at 9 o'clock commenced to set down

Love

cut in the throat at 9 PM. *Arctia* then was

with a full ship 3300 lbs of ore rather poor
