

These Commences pleasant at 1/2 past 3. We are water  
in and will leave at 1/2 past 3. The committee

Mr. Chatterbox commenced speaking at 4 PM. finished cutting Post in mid at 7 PM. saw Mr. & Mrs. Lomax & their

June 5<sup>th</sup> the whale then went in three or four days

to make room for the bridge at 2 P. M. I mean

had to cut some in Brazil that in all Latin and

from  
27th  
middle part having at 7 1/2 M. began to set down

June 25<sup>th</sup> Breeding commenced immediately following and during storm at 4 P.M. and light white drizzle & frost

I had an eight weeks stop over at  
June 16<sup>th</sup>, '13

to make a line side at 5 D. N. of the Phillips lot  
of which it met out 14.50 lbs cut newton France

W 294 Long

Some Thursday commenced employment  
2<sup>nd</sup> mentioning the gate that at 5 P.M. was a dead

28th. Treating out the face break at 12 o'clock notwithstanding  
further drilling down at 4 PM saw the Lake

Long 16/1, 25

some thing revealed the waste crab pulled to it from

*Jane Lindas comeses cabin and page at 4. M. American*
