 Middle & later do and boat
 sail Pengon in camp Lat 18=36
 Tues 20 First part strong breezes
 Wind S.E. on the wind to
 Dub Middle & later strong breezes
 and Dub tops Lat 18=36
 Wed 21 First part strong breezes
 on the wind to the Pengon
 in camp at 6 P.M. the Pengon
 hauled up but sparks of coals
 & set the signals lights with
 the large torch like in the
 Empress & left off & spoke by
 she had a gun & took both from
 the young & wished one to keep
 boat to him all night and
 easy sail with light sail
 at 4 P.M. sent my first
 boat & four men to get
 him & take the mail if the
 boat wanted any advice from
 me that I would come on
 board. The vessel looking
 at about 24 hundred strokes
 Dr. have the boat returned in
 my boat by the west turned to
 breaking out & heavy over board
 the bottom Decks all, sounds then
 24 hours with strong breeze
 & had sea both pumps going &
 last left for lat 18=36 North
