

Thurs Dec 22
of Nov 1824

First part strong breeze bearing
over board at 4. A bad sea on
at 5 AM very thick dunt water
the sea is breaking. They concluded
to abandon the ship at 8 AM.
got them all on board with their
things heavy baggage & thick water
at daylight saved 3 boats to get sun
from shore and by 6 found 10 feet water
in the whole track and 9 barrels of
proms beans & 2 lbs bread & 3 lbs flour
er 1 lb of molasses of flour & mien
tops powder & Main sail & perst
light fib stay, mizing. 8-8-8
Besides 4 boat 34 lbs of oil
which makes me full of this down
dry marks & dunt calculate to
catch any more oil this voyage
at 9 AM the water was over the
low deck me set fire to the
ship & left her at Dismal sight
By the 4 started for me no rest
How soon we may attend in their
shoes & sun also thick water & bad sea
