

Lat. S. Lon. W.

March

Fri. 11<sup>th</sup>

During the first part of these twenty four hours we had strong westerly squalls, the night & day & a strong wind again in the latter part.

Mouth of  
Gallegos River

The whale raised his whale but after lowering it began to blow so hard that we had all we wanted to look after ourselves & the whale got down & had we lost one of them.

Sat. 12<sup>th</sup>

During the first part of these twenty four hours we had a strong westerly wind.

The night & latter part were fair with wind moderate.

Sun. 13<sup>th</sup>

During the whole of these 24 hours we had strong winds from the west with an hour or so fine weather between puffs.

Mon. 14<sup>th</sup>

The whole of these 24 hours were fair with a strong westerly wind during the first part, the night & latter part the wind was light.

Saw a schooner at anchor in the north side of Cape Virgin.

Cracking and breaking

Lat. S. Lon. W.

March
