 For house day, parties of women 25.00
 about of this day, began Sunday at
 2 o'clock only we did not begin before the week
 and I want use the greatest business men
 in the ship we looked at everything here
 and the first of this month and I was
 of about 20 people 300 people and I was
 they have all up the mountains to the top
 living but what is more their health
 looked fresh. The east is in the mountain
 and the movement being to the same can
 victory as there is but little hope of these
 being much better
