

April 5th 1870

Left port five with Seaburg last
part strong with Land breeze employed
on oil

Wednesday 6th

So Day we are very busy breaking
out sand showing black fine mud
all Day we get Patas get

Thurs 7th

So Day we are at it again
& finished up the lower hold for
the oil between Decks ready for the
Schorn

Friday 8th

So Day we have not done
work must by Sofa jobs washed
Ship all over this afternoon

Saturday 9th

This morning it blew like fury
the Port Windpipe give way let go
Anchors & got them foul back all
to clear chains think I came very
streaming to Day

Sun 10th

Capt has gone to Wyeama left me
to look out for the Ship

Mon 11th

Ppt all our oil onboard the
Schorn Mirelda to Day bound for
Honolulu

Tues 12th

Left Sai to Day bound for
Wahau

Course W
Wind S

Wed 13th

Arrived at Honolulu this morning
Eight o'clock Capt Fisher went ashore
& Mr Worth. Mr Sherman came
off this afternoon

April 14th
Thurs 14th

I went on shore this morning at 10
o'clock intend to stay until tomorrow
Mr Worth went aboard

id 15

This afternoon at 2 o'clock I went
aboard the Ship found some new
hand's aboard regular rangers Ship
all ready

L 16

This morning we are laying off & on
Honolulu Harbor at four o'clock Capt Dry
came aboard we kept of & made sail
stunning for the good weather all Day

nd 17

This morning at Daylight made the
Island of Oahu ran the Ship down
to the Church sent a Boat on shore
for Trade but found a heavy swell
evolving in so kept of for the lullish

day 18

At Daylight this morning found ourselves
to ward of the Island so kept away
for the North watch employed sending
new sails & getting boats ready

day 19

So Day we have fair weather and
steady breeze throughout I have been at
work all Day on my Boat mending
her & painting her

nd 20th

This morning the weather is quite
breezy but this afternoon was
clouded up so I have finished my
Boat & she is all ready for working
Course W
Wind S

nd 21st

So Day we have had a steady
wind all Day signs of bad weather to
night
