at Falling

This day light breeze from the Eastward Bk heading N.W. & under Dribble reef Topsails & Fore sail with fog at intervals. Visible Dist. from one 1/2 mile to 6 miles Capt Fisher has been belone with a lame arm for the past 4 days I consider this voyage a D - a poor one the way things are going on and hard living the consequence with the mate takes a watch, or per tends to but takes 29 hours out of 24 down in the Cabin belone
