Bark Sea Fox Toward Mauritius

Monday June 20th Comes in with moderate breeze from the South steering W by N North middle part light winds latter part fine weather. Saw finbacks. Ends with southerly winds.

Lat 21.40° Long 93.00° E

Tuesday June 21st These twenty four hours fresh trade winds and clear weather the Bark steering W by N. with all sail out. Employed repairing the Gibb. Saw one finback. The mate was taken out of irons at noon after asking my pardon and acknowledging that he done wrong. I have allowed him to go into his room but not to go to duty as he is not capable of doing a miter duty and is the cause of more trouble than his services are worth.

Lat 21.20° Long 90.06° E
