I went to Capton Smith and asked him to give me something to steer  
for steering of boat he had told me several times  
that I should be paid for it when I asked him he  
would not then I told him that he must get  
some one to steer him Capt Smith then told  
me that he would not let me be able a mind  
on deck in my watch and said he would work me  
up for the *Tharion* steering of boat 6 months for no  
thing and because I want to steer the rest of the  
voyage he is a good to work me up for it
