

Thursday March 17<sup>th</sup> 1839

Strong breeze from seaward,  
at 5 P.M. calm  
at 11 P.M. got under way with a light  
battering wind, at 4 A.M. got the  
hull half a gale of wind took in  
sail to double reef fore and all Sails  
and fore sail, started at 11 A.M.  
at 6 A.M. saw a sperm whale  
to suggest to think about lowering  
the boats, however now to allow to  
lay off and on, and a gale of  
wind to do it in, and for my part  
I am pretty well beat out have been  
up the whole of two nights, and I  
am awful cross, I should not be quite  
so ugly, but I am troubled with the  
C.P., damn all bad women, better  
to have said and done that before.

Friday March 18<sup>th</sup>

Strong trades, Friday sail set working  
towards Lahina. I am awful ugly  
I cannot cease the C.P. and that  
is the principle thing that makes me  
so cross,  
Middle and Latter part pleasant out  
of the trades, at 7 A.M. Capt and  
Lady went on shore, to spend  
the day, there are some 10 ships  
lying here, that add.

Saturday March 19<sup>th</sup> 1839

Strong trades at 3 P.M. Capt and Lady  
came on board, kept off for Waahoo  
hull blows a gale all day, took in sail  
to double reef all Sails and last  
sail for top sail.  
Middle and Latter part  
strong gale, at 8 A.M. Capt  
and Lady went on shore at  
Waahoo send your humble  
servant next with them, and  
what did he go for, I am  
sorry to say for no good,  
but he got five letters from  
home, for which I am  
thankful, for but am not  
worthy of the same.

Sunday March 20<sup>th</sup>

Strong gale from E. & S. ship under last  
sail fore and all Sails, off and on,  
Middle part rather more moderate,  
Latter part strong gale, this day,  
it is rather unpleasant lying off and on  
the weather is so rugged that ships come  
down to day, Capt went on shore, let  
the ships off and on.

Monday March 21<sup>st</sup>

Strong gale from E. & S. ship under last  
sail fore and all Sails off and on,  
Latter part head at 5 P.M. about 3 miles  
Middle part rather better,  
Latter part blowing on again, at 9  
A.M. sent a boat on shore, I am  
sick and tired of this work, the  
company due C.P. plague take all  
the bad women, that are more than on  
and have failed, let me get clear this time  
then return me again if you can.
