Stafford. Sam Karotanga. George. Jim Mangin.
Isaac Ramon. James E. Porter. at 10 AM
got under way and stood to sea fine weather

Thurs the 26th

Brisk Breeze at 1 PM the Pilot left
sailed by 11 AM and then steered S.W.
had that ^{the} was a case of sin in the storage
brought off by two of the Boatswain
Franky Bily & Sam Brown Perry
gave it up I had it thrown overboard
by him they are very troublesome men
Sam Brown last Monday morning
had charge of the Anchor watch
he left the ship with ^{out} permission and
went ashore to a glag shop and returned
before daylight at 1 PM Steered S.W. for the Island
of Savat right before by to the S.E. to the
Sound dist. 12 miles having from 12 PM to 5 PM
at one AM were ship to the S.W. at
daylight kept off for save ran the shore
down saw a german Barque lying
at Anchor the Captain and Mr. Reed
enough for a few minutes they app
W.D.W. looking for Whales along the reef
made and took in sail as required
