the Winter in sight - steering the same

Jan. the 19th

73
Brisk Windy from the N.W. steering
Ojib at 2 P.M. saw the Winter Flagg
set for Whale at 3 saw her Boat at 4 Land
very could not get near the Whale, they being
shy at dark we speared the two ships have
our chance, together we steered and
the Hunter W's W. Middle Bright wind lost
part Brisk at 6 P.M. hauled up W's W at 8 saw
Whale going N.E. at 8 saw her for them at
8 saw the Winter Flagg a flying at noon
we struck a Whale 20 E.P.

Yours the 2nd of the

Brisk Windy Boat fast to the Whale
at 8 P.M. took the Whale to the Ship
got a Boat load by Stomach at 11 hours
at dusk got the Sun in on the Whale Chain
in mid air and lost part Brisk
Wind at daylight - commenced to cut
Baw the Hunter a Bailing and
Chasing a Gang way to Windward at
noon got the Bag on Puckin Buckaw in Chain
