

Commenced with moderate breeze from the S.E.
and foggy: at 1 P.M. towed for a whale which
was saying "fish" so thick did not chase him
at 4 P.M. saw a number of whales towed
but it soon came in thick but sight of the
boat very glad to get on board. Lost part of my
ear S.E. and thick fog left 4 1/2 to 5 P.M. 1880's &
