Monday Nov 17 - 1913
 4 PM Have been taking
 sights just 4 miles N of
 Lake of Sal and I think that I have
 got the thing about straight with an
 error of 2 m + 58 sec and no rate

 from the southward
 Russian ship

Wed Nov 18 - 1913
 anchored at Brava to get our
 boats fixed. Found the starboard
 boat to be badly stoven. Could not
 get any carpenters the first two
 days. After that we had three
 I took two men 7 days to repair
 the two boats.

Left on Tuesday dec 2nd
 and I think it is too late to go
 south
