Friday Jan 2-1914
Very clear pleasant
weather with a light-
SE breeze. Out in the

whale Head this morning and started
the Pryworks at 10 30 a.m. This sight
I took through a cloud and depend much on it.
Later part cloudy

Tuesday Jan 6 1914
Moderate NE tracks
My cat fell over-
board last night.
The Boat Steer on watch
Saw the cat overboard and
never said a word but just let
it drown. And it was good
weather
