74 11 45 Sat June 6 - 1914
 Light NE breeze
 clear + pleasant. Saw quite a
 number of Schooners and Steamers.
 Sperm whaler were raised at
 10 45 AM by Mr Lopez. The whaler
 were going to the Southward
 Lowered three boats at 11:15.
 Third mate caught one. No chance
 for any more. Finished cutting
 at 4 30 PM
