

Tuesday March 27th
pleasant breeze from N.E. and good weather
about of chase whaler at 4 P.M. saw 3 birds
the 3 Whales & the lower 3 birds. I
went with the boat to the north of the main beach.
J. C. Middleport equally 10 P.M. sent out the
Whales in at 10 P.M. kept off the beach. I all
left by the boat at 8
Left by the boat at 8 P.M.
Wednesday March 28th
J. C. Middleport & Pierce & the boat set
out to sea away the beach at 4 P.M. saw
3 birds again at 5 P.M. lowered the lower
3 birds from the boat shortly after 3 P.M. another
the line for the 1st. I got part of the line had to
at 3 P.M. the boat over and lost her line
at 7 P.M. the boat in beach and lay about the beach.
at 11 P.M. kept off her course later
part of the line.

[illegible][illegible]

Monday Nov 8
Light trace with rain since 10 AM
No. at 3 PM cleared off the
air squalls all the day & night
Lost by 10 AM
Don't know

1st Breeds and variable number of
 mussels and latter part of July
 the N.E.
